

**THE MANAGING COMMITTEE OF
OVERSEAS INVESTORS CHAMBER OF COMMERCE AND INDUSTRY,
APPROVED THE FOLLOWING IN THE MEETING HELD ON NOVEMBER 7, 2023**

The Proposed Plan of Activities – 2024 TO 2026

1. Taxation proposals for Federal and Provincial government to be sent in Q1 each year, followed up by interactive sessions of members with Leadership teams of FBR, SRB, PRA and KPRA, throughout the year on all tax related issues.
2. Continuation of Joint FBR-OICCI Taxation committee meetings, subject to availability of respective FBR LTU Head (separately for Karachi, Lahore, Islamabad based members) to resolve tax related issues of OICCI members, including settlement of pending tax refund claims.
3. OICCI Surveys:
 - i. **Business Confidence Index survey** across Pakistan and sharing of results with all stakeholders – manufacturers/service/wholesalers/retailers.
 - ii. **OICCI Members Perception and Investment survey 2023** (launch of the 2023 survey report) **and again in 2025** - (this survey is done once every two years) and sharing of results with all stakeholders.
 - iii. **Intellectual Property Rights survey – annual**
 - iv. **Members survey on security related matters – annual**
 - v. **Members Economic Contribution Survey – annual**
 - vi. **OICCI CSR Report – annual**
 - vii. **OICCI Remittance Survey – annual**
 - viii. **OICCI Diversity and Inclusion Survey – annual**
- followed by the OICCI Women empowerment Awards –annual.
4. Presentation of OICCI Recommendations on Digital Economy to the authorities.
5. Advocating the agenda of increasing women inclusion in Pakistan’s workspaces to relevant stakeholders, along with a wider audience.
6. Presentation of OICCI Energy Recommendations to the authorities.
7. Conduct engagement sessions, such as seminars, webinars, and meetings with relevant stakeholders and present recommendations to promote Pakistan’s potential as a viable destination for foreign investment.
8. Focused advocacy and engagements centered around environment change and climate to create environmental awareness and dialogue on key issues and actions.

9. Conferences and engagement sessions (for e.g., seminars/webinars) on pressing issues and matters of interest to members and business community, with support from our members' experiences and relevant external expertise.
10. **Regular sharing of OICCI surveys and initiatives with all relevant stakeholders**, as well as frequent communications between the Chamber and government authorities (e.g., taxation proposals submitted to FBR and Provincial Revenue authorities, resolution of anomalies and issues by Government/Regulatory bodies)
11. **Informing the wider audience, through appropriate and properly vetted Press Releases**, about OICCI events and activities of interest for the public like findings of the Chamber's research activities, advocacy engagements with foreign delegates, Environment and Sustainability Awareness activities, advocacy on regulatory matters with relevant authorities (Taxation and EODB proposals, etc.) and other important matters
12. **Engagement to be maintained with Intellectual Property Organization of Pakistan (IPoP)**
13. **Sessions on Intellectual Property Rights and related matters** for the benefit of Judiciary, LEAs and students pursuing higher education in top universities like IBA/ LUMS/ KSBL/SZABIST.
14. **Liaison with leading independent economists (including from IBA/ LUMS/ PIDE) for various matters of mutual benefit.**
15. **Regular and detailed feedback on various economic/ business policies or any new business-related initiatives**
16. **Sharing of economic data with members/stakeholders**
17. **Regular update on security situation and interaction with LEAs/CPLC.**
18. **Monitoring the functioning of various subcommittees under the Chamber**
19. **Meeting with Heads and Directors of Regulatory bodies on a regular basis for gathering information of interest for members as well as resolving out issues of members (for e.g., FBR/ SBP/ SECP/ CCP/ PSQCA/ IPO-P/ NEPRA, OGRA etc.).**
20. **Engagement with external experts, such as economists, bankers, lawyers etc., on issues and topics relevant to and beneficial for the members.**
21. **Regular interaction with relevant diplomats to promote FDI in the country, as thirty-one countries are represented at OICCI.**

The Financial arrangement for above planned activities will be sourced through yearly income generated by the annual subscriptions from OICCI members.
